

SAP® Data Migration Consultant

BackOffice Associates, LLC is a fast-growing provider of software and consulting services to global corporations. We perform business critical services associated with corporate ERP systems. We have developed a proven product-line, process and reputation for uncompromising success. We are looking for an energetic, self-directed, committed and goal-oriented individual with the desire to join a world-class organization.

Position Summary

In this position you will be responsible for participating in data migration activities that include data analysis, reporting, conversion, harmonization and business-process analysis as part of the Data Migration Team. This is a full time position.

Applicants must be well experienced with SAP in general and an expert in specific business-process areas. This position is integral in the performance of data migration activities for a specific process thread while driving communication with client SMEs and Business-Process Experts for data migration activities.

Position located in Singapore

This position requires only physical activity associated with office routines. Traveling and local positions are available.

Qualifications:

- Minimum 2 years SAP Techno-Functional or Functional experience; 1+ full SAP implementation lifecycle(s)
- Expert level business-process knowledge associated with one or more of the following SAP functional modules: FI, CO, HR, MM, SD, PP, PS, LE, PM
- At least three (3) years experience on IT projects
- Data migration experience including proficiency in data analysis, data quality and conversion planning for data migration activities
- 2+ years Business-Process experience
- Bachelor's degree in Business, Engineering, Computer Science or other related analytical or technical disciplines, or at least four (4) years related experience
- Proficient in Microsoft® SQL: SQL query skills, comprehensive understanding of SQL Table structure and an understanding of relational databases.
- Must be able to communicate in written and spoken English. Ability to speak Mandarin, Korean and/or Japanese is preferred.
